Communications

Board of Education

Tina Garrett is waiting for an update from the District Education Foundation and will share when available. Member Morrissey commended the elementary schools for all the work they did to support families with the materials pick-up this spring.

Superintendent

Superintendent Hertel reminded the Board that the Extended School Year summer program is in session virtually this summer. Just over 200 students are participating, which is slightly higher than in previous years

Dashboard Report

The Dashboard Report centered around the district's Workers Compensation data from 2014-2021. The district realized a 5% decrease in the adjusted 2021 premium. The decrease is the result of the district's low experience relative to the pool average and the favorable renewal rates for the pool as a whole.
